

# ALPHA PUMP DISPLAY

Including the option to brand with your company logo & details

**PLEASE SEE TECHNICAL DATA FOR  
NEW CALIBRATION PROCEDURE**

## THE IMPROVEMENTS ARE:

- 1** Simpler & faster configuration & calibration sequence (electronic calibration)
- 2** Clearer display with bright white LED backlighting
- 3** Improved wider viewing angle
- 4** Larger display with 30mm high main characters
- 5** Fifteen 12mm high characters on the lower line of the display allow clearer, improved instructions & error messaging to be shown to the user
