

# Albion Ultrasteel+

## The space-saving direct unvented cylinder with utility stand

**Delight your customers and maximise their living space with this space-saving cylinder from Kingspan.**

As a forward-thinking developer, you understand the value of efficient space utilisation in modern living spaces. Kingspan can now help with our Albion Ultrasteel+ direct cylinder with utility stand. It's designed and built to meet your needs as a property developer, so you can maximise your return on every square meter of property space, even in the smallest homes or apartments.

### Features:

- Prefabricated frame constructed using 30mm<sup>2</sup> box section mild steel for maximum strength
- White powder-coated surface for corrosion protection and aesthetically pleasing finish
- Improved stability with four adjustable feet for levelling
- Fits UK standard kitchen utilities 850mm x 600mm x 600mm (HxWxD)
- Available with the following cylinders: Kingspan Albion Ultrasteel+ Directs - 120L, 150L, 180L or 210L capacities
- Internal thermal expansion, eliminating the need for an external expansion vessel to simplify installation
- 2x 3kW Titanium immersion heaters
- Guaranteed for 25 years on Duplex inner vessel against manufacturing defects and 2 years on parts
